

2024 GRAND DISPLAY OF FRENCH CARS

IMPORTANT INFORMATION ABOUT THE EVENT

The grand display will be in the lower car park (under cover) at the **DISTILLERY ROAD MARKETS, EAGLEBY** (enter from **Henry Hester Drive**). Note, if you are using the **M1**, take **Exit 35** regardless of the direction you are coming from. If you are using google maps or Waze just search for Distillery Road Markets or Kiwanda Cafe (which is in the complex)

EVENT STARTS AT 830AM TIL 300PM Please be there by 730am so we can start allocating cars. As you all noticed we are trying to create something new like a Japanese fan style set up it will especially look good for a photo shoot where cars will be set up according to shape etc. (at least we will try). To achieve this we will have cars also enter through the unconventional way to get to their spots once entered the premises but upon thorough inspection it will work. cars are to be parked where the front of the car faces towards the Back wall filling rows from the back wall and work towards the front. We will have floor tape dividing the zones to ensure cars are not placed over the others zones. Volunteers will be assisting and guiding drivers to their correct position. Trailer and truck parking is along the car parking row as shown. Vehicles that can't be offloaded will have to be displayed in this area.

Under reference you will see a purple box that states club tent and shop. C for Citroen R for Renault and P for Peugeot . It will be nice to see us all beside each other don't you think? 😊

FOOD AND TOILET

By using the lifts to go one level up there are choices of food outlets and coffee as well as toilets. However the food outlets and toilets will only be accessible from 11 onwards.

From 7 am there is couple of cafes a short couple of minutes walk from the car park that offers fantastic breakfasts and coffee and well as toilets. We understand that until 11am getting to the alternative bathroom will be challenging for some so im providing a portaloos for the car park for people to use. Its advisable to bring your own hot coffee if you prefer not to walk to the coffee shop before 11am before the other vendors open just above us.

Unfortunately we are not allowed to hire our own food and coffee vendors as the building already has food options available.

GENERAL

Bring your pre completed entry form

the cost per display is \$15 and we accept both cash or card eftpos (tap)

Copy of on the day schedule will be handed out upon entry as well as voting ballot slips for peoples choice awards

If your car drips a bit of oil, please bring something to use as a **drip tray, cardboard, carpet or whatever**

ENTERTAINMENT

We may be able to set up a projector to stream French movies throughout the day for people to see and enjoy will keep you all updated
